

Dawn Asper, MCMHA Board Member

Appointed: April 2019

My reason for wanting to be a Board Member:

As a Chiropractor, I have 40 years of experience supporting physical and mental health, including nutritional support for brain health. As a County Commissioner, my interest is that Governmental Policies support – and don't detract from – optimal delivery of mental health services to our community.

Current Employer, Occupation, Retired, or Hobby:

- Commissioner – Monroe County Board of Commissioners
- Self Employed – Chiropractic Physician

Education:

- University of Michigan; Zoology; Biopsychology; 1976; BS
- National College of Chiropractic; Human Biology, Doctor of Chiropractic ; 1981; DC

Additional Information:

I have served on Mental Health Jail Diversion Advisory Council.
