

Behavioral Health Urgent Care (BHUC)

Our Behavioral Health Urgent Care (BHUC) offers a warm, supportive alternative to traditional emergency departments. It's designed for you as a place to get timely help for urgent behavioral health needs. Our team provides quick assessments, helps you find stability, and connects you with the right services, all in an environment focused on your well-being. We take an integrated approach, looking at the whole picture to ensure you get effective support. The BHUC is open Monday – Friday, 11 a.m. to 7 p.m.

Information & Assistance

For further information or for questions or concerns, please contact:

Contact the BHUC at:
(734) 243-7341

Suicide and Crisis Life Line: 9-8-8

What is expected of me?

- Answer questions as honestly and completely as you can
- Bring a copy of your ID and insurance card (if you have one)
- Be prepared to provide information on your current medications

What to expect from the MCMHA BHUC?

- Immediate assessment and evaluation
- Crisis intervention and stabilization
- Care coordination and referrals
- Medical assessment/screening
- Medication consultation

When you arrive, our receptionist will greet you and check you in before guiding you to a comfortable consultation room. Our staff will gather info to offer personalized recommendations and options. Before you leave, you'll get a full aftercare plan and support connecting to ongoing services.

Who is eligible?

- Anyone experiencing an urgent behavioral health need, regardless of insurance, residency, or ability to pay.

Talk With Us.
